**KPD Consulting Law Firm** successfully represented interests of the head of one of the structural units of the Prosecutor General's Office of Ukraine in the Supreme Court. According to the results of consideration, the decision of the Qualification and Disciplinary Commission of Prosecutors on refusal to withdraw a reprimand was canceled. The commission is obliged to reconsider the matter. This is one of the first such precedents in practice of Ukrainian courts. This is the beginning of an effective judicial protection of prosecutors in such situations. Such a way has significant advantages, as the rights are restored by a court decision. Effective judicial control is aimed to discipline the commission to strictly observe the review procedure and properly motivate its decisions. This will make the commission be more responsible justifying its decisions, which may be reviewed by court.

The matter was handled by Mr. **Andrii Petryshak**, the attorney of Criminal and Labor Law Practice under supervision of Mr. **Kyrylo Kazak**, the partner of the company and the head of the practice.
